

致 SMA 慈善基金會嚴太

本人 雅明 因 SMA 影響，引致行動不便，出外需電動輪椅代步，因本人現正失業，極需一部電動輪椅的幫助，無能力購買一部電動輪椅，承蒙 SMA 慈善基金會資助，本人現已接收了，十分適合，我可以自行出街，性能良好，特此非常感激。

Mrs. Yim from FSMA,

I had difficulty in walking because of my illness of SMA, so I need an electronic wheelchair to help me go out. As I am unemployed now, I cannot afford to buy an electronic wheelchair. Thanks to the financial help of FSMA, I get one now. It fits me perfectly and it functions well. Now I can go out alone. I am really very thankful.
