English Translation

Mrs. Fok, Mrs. Yim and Carmen,

Hi, We enjoyed the trip to International Finance Centre. Before, we could only see the office of the Hong Kong Monetary Authority on TV, and have no idea that we could be there and learn the history and knowledge about Hong Kong currencies. Moreover, we shared a joyful afternoon with staff of ABN AMRO Bank. It was exciting and unforgettable to see Hong Kong view up there. I would like to say thank you again.

Best wishes to your health and work.

Kit Ying, Chi Kit and Bella
