大家好， 很感謝你們一直以來對喬喬和我家人的關心和支援。

幸得貴會的幫助， 讓喬喬可以多租一部呼吸機， 令我抱她過輪椅和過床時， 不用每次整理呼吸喉管（坐輪椅時要縮短和在床時要駁長）， 比以前節省更多時間和體力， 令喬喬和我的生活得以從善如流， 對簡化日後上學前後所需的程序會有正面的幫助。

此外， 較早前我們和喬喬嘗試乘坐會車到貴會及往返醫院覆診， 過程非常簡便和順利， 加上Edward的細心和耐性， 及熱心助人的精神， 令我們的旅程既安心又愉快， 喬喬也很舒適的欣賞路上的風景， 相信她會很樂意乘坐會車上學的。謝謝！

Mrs. Fok, Mrs. Yim, Carmen, Edward and Don,

I appreciated your continuous care and support to Alvy and our family.

Thanks to the help from FSMA, Alvy can rent an additional ventilator. It saves my time and strength because I don't have to adjust the length of the tube when I transfer her from wheelchair to bed and vice versa (length shortens in wheelchair while length extends when in bed). Life of Alvy and myself become more easy and the procedures of going to school and return home are simplified.

In addition, Alvy and us have tried the transportation service of FSMA to go to FSMA's office and hospital for check up. The process was very convenient and smooth. Thanks to Edward's attentiveness, patience and eagerness to help, we had a very carefree and joyful journey. Alvy enjoyed the scenery along the way. I believe she will be very willing to go to school by the Trust's car. Thank you!
