Auntie Fok, Auntie Yim, Carmen and Uncle driver,

Hello, I am Kiu Kiu's little sister Yan Lam. I was born on July 6th, 2012. I weighed 7 pounds and 4 ounces when I was born and I am now 12 pounds.

I thank you for taking care of my brother and my mum. I decided to donate my lucky money to help those children who suffer from the same illness as my brother, so that they can have necessary medical equipment. Please accept it.
